#### THE VINTAGE

2019 is a very well balanced vintage, between richness and freshness, giving fine wine and with an excellent ageing potential.

**Harvest start date** : 07/09/2018 - **Yield**: 32 hL/ha - **Production volume**: 3600 bottles

Gentle pressure using a pneumatic press. Transfer of the must in vats by gravity. Static 24-hour must settling in tanks. Racking and selection of the finest lees from the must. Yest addition, two weeks of alcoholic fermentation. The malolactic fermentation naturally starts in the same tanks.

The ageing continues for a few months on the lees in tanks. At the end, a light fining is performed with bentonite to prevent any protein breakdown. Finally, filtering and bottling are carried out at the winery.

**Alcohol content** : 12 % vol.
