HARVEST

12/09/2025

WINEMAKING

Gentle pressure using a pneumatic press. Transfer of the must in vats by gravity. Static 24-hour must settling in tanks. Racking and selection of the finest lees from the must. Yest addition, two weeks of alcoholic fermentation. The malolactic fermentation naturally starts in the same tanks.

AGEING

The ageing continues for 18 months which gives a great stability to the wine, so we do not make any stabilisation neither filtering before bottling at the estate.

VARIETAL

Chardonnay 100%

12.5 % VOL.

Contains sulphites. Does not contain egg or egg products. Does not contain milk or milk-based products.
